

Have You Checked Out Warby Parker?

Warby Parker's mission is clear: **Buying glasses should be easy and fun and should help leave money in your pocket.** From in-person stores to digital experiences, Warby Parker gives you a range of vision care options.

Online at
WarbyParker.com

300+ stores

Virtual try-on
technology

**Most sites even offer
onsite standard exams!**

If you're currently enrolled in vision benefits through Davis Vision or Superior Vision, you now have access to Warby Parker products and exam services in the same way you use your benefits at other in-network providers.

Given Warby Parker's unique product offering, which includes frames, lens enhancements, contact lenses, and standard eye exams, there are a variety of ways that you may experience savings while using your benefits.

Visit [WarbyParker.com/Insurance](https://www.warbyparker.com/Insurance) to check out their online experience or book an exam today!
